

Friends of the Tuckahoe Public Library
71 Columbus Avenue
Tuckahoe, New York 10707

Dear Neighbor,

The newly formed Friends of the Tuckahoe Public Library needs your help.

All of the libraries in Westchester County have had their funds cut. Tuckahoe is no exception. This lower funding level will affect our special programs like adult and children's reading programs, author visits and story time. Children, teens and adults will all suffer from the loss of these enriching educational activities.

We invite you to join us to ensure that these programs will continue. We as the Friends are committed to assist and support our library.

Please consider joining us and becoming a Friend by making a tax-deductible contribution.

Respectfully,

Friends of the Tuckahoe Public Library
